CEILINGS

Techstyle[®] Acoustical Ceilings

Our lightweight, large-format panels deliver great acoustical performance with a range of aesthetic options.

ALL TECHSTYLE ACOUSTICAL PANELS OFFER:

- Excellent acoustical performance – NRC=0.85 and SAA=0.86
- Rigid, resilient honeycomb construction
- Panel sizes up to 4' by 6'
- Class A (ASTM E84) fire rating
- 10% recycled content and no formaldehyde
- Versatile lay-in or clip (swing-down) installation
- Easy integration with lighting and other subsystems

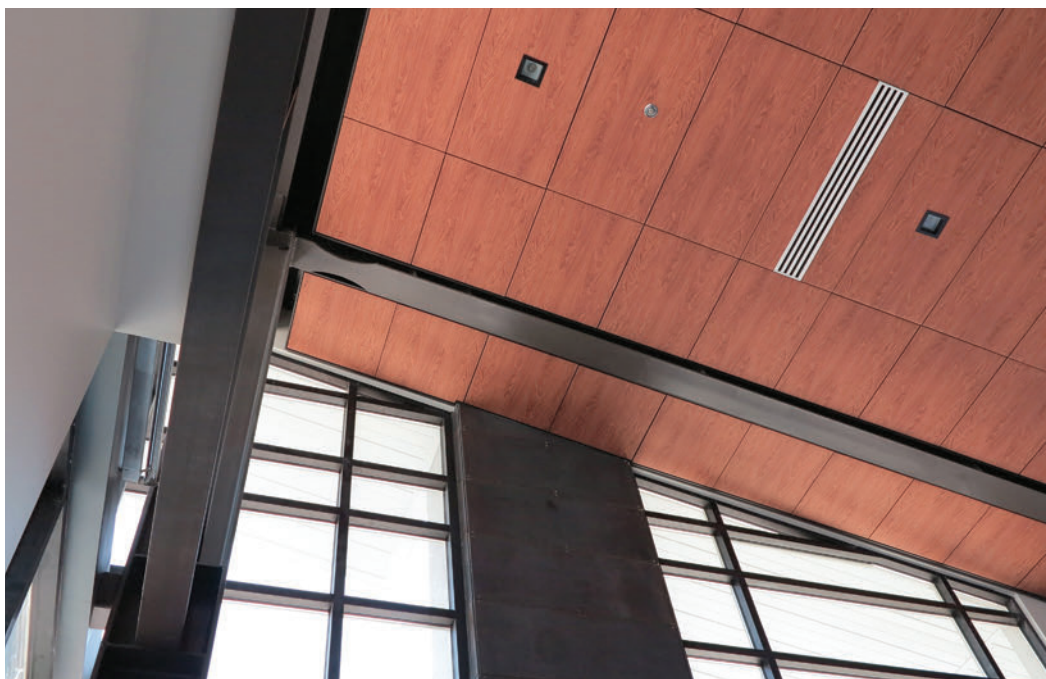

Techstyle® E Panels

Techstyle E panels offer light reflectance (LR=81), as well as GREENGUARD GOLD certification.

Techstyle® Canvas Panels

Techstyle Canvas panels enable custom coloring, wood looks, and an unlimited variety of textures and designs.

Techstyle® Translucent Panels

Techstyle Translucent panels create backlit ceilings that feature a luminous glow (3% transmission of natural or electrical lighting).
